

The following named players are contained in the APBA baseball card set representing the 1949 season. We will not reply to any correspondence which proposes to question our selection of the players which comprise the teams listed below. The batting orders may be arranged in any number of sequences without affecting the individual performances of any of the players. These were the batting orders most frequently used in 1949: 1949 season

* Used primarily or exclusively as a relief pitcher. Should be used seldom or not at all as a starter. For most realistic results the frequency of use of starting pitchers should be determined by the order of their listings above, not by the grade ratings on their cards.

If you keep us advised of any change in your address, you will be notified whenever new card sets become available.
