*Used primarily or exclusively as a relief pitcher. Should be used seldom or not at all as a starter. (Pitchers with asterisks following their grades on the player cards themselves should be used exclusively in relief, unless they have split ratings.)

For most realistic results the frequency of use of starting pitchers should be determined by the order of their listings above, not by the grade ratings on their cards. In the American League, any player may be used as a designated hitter, not just those listed as DH's on this line-up sheet. Play result number 42 on any player card indicates hit by pitcher. Runners advance one base if appropriate.

Your name has been placed on our mailing list, provided the game was purchased in your name. IF YOU RECEIVED YOUR GAME AS A GIFT, OR IF FOR ANY REASON IT WAS NOT PURCHASED IN YOUR NAME, PLEASE SEND US YOUR NAME AND ADDRESS AND ALSO THE NAME AND ADDRESS OF THE PERSON IN WHOSE NAME IT WAS PURCHASED.

If you keep us advised of any change in your address, you will be notified every year, in January, when the new players' cards are available. We should have these notices of address changes no later than October 1st. Please do not write to inquire about the new year's cards, unless you have not received the notice of their availability by March 1st of the new year, and please do not remit your order for new cards before you have received the new card notice giving the details for ordering them.
