

## ADDITIONAL PLAYERS FOR 1978 EDITION

For those fans who would like to have more players than the twenty per team in the regular card set, we offer 156 additional ones — six for each of the twenty-six major league teams.

These are printed on the same card stock as the regular cards and in two colors, identical to the regular cards, but with twelve players to a sheet. The sheets are perforated. Simply tear them apart and they are ready for use.

These additional cards, based on the players' 1977 records, can give you a greater maneuverability of your team rosters without substantially altering the overall team strengths, provided they are used realistically.

These 156 players, contained on thirteen separate sheets, are listed below. They are \$3.25 per complete set of 156, postpaid. Penna. residents must remit \$3.45 and all foreign customers \$3.50. Order Set. No. XB77.
