

ADDITIONAL PLAYERS FOR THE 1987 EDITION

For those fans who want more players than the twenty per team in the regular card set, we offer 156 additional cards—six for each of the twenty-six big league teams.

These are printed on the same card stock and in the same colors as the regular cards, but with twelve players to a sheet. The sheets are perforated. Simply tear them apart and they are ready to use.

These additional cards, based on the players' 1986 records, can give you greater maneuverability of your team rosters without substantially altering the overall team strengths, provided the players are used realistically.
